Junk Modelling

Junk modelling offers opportunities for developing children creativity, as well as their fine motor skills. All you will need is:

- Glue
- Selection of items from around the house for example, kitchen roll tubes, cereal boxes, sequins, lollypop sticks, egg cartons and much more.

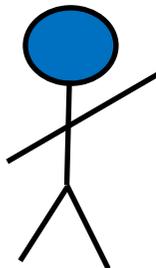

Simply using all the materials you have glue them together and make a masterpiece!

Sticky Kids

Ladybird love music and movement time.

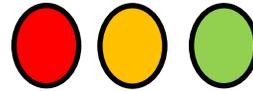

Sticky kids have some great videos to get you all up and moving!

Simply type Sticky kids into YouTube to access lots of songs and dances!

Ready, Steady, Go!

This game can be played in many ways depending on your child's interest; you could roll a ball or push a car. Show your child the object and ask if they can name it. Then before rolling or pushing the object say 'Ready, steady, go' try to encourage the child to repeat you, if they are unable to talk then encourage waiting. While the child has the object encourage the child to wait for you to say Ready, steady, go before rolling or pushing it back.

Ladybirds

Jelly Play

You will need: Jelly, ice cube trays or a container that will fit into your fridge.

The day before...

Make your jelly according to the instructions on the packet. You can use one colour or opt for the rainbow effect.

When set...Explore and have fun! Talk about all the wonderful describing words of how the jelly feels in your hands. Squishy, sticky, slimy and smooth.

Squish it

Sensory Shaker Bottle

You will need:

- Clean plastic bottle
 - Rice, pasta or lentils
- How to make:**
- Ensure the plastic bottle is clean and dry.
 - Place rice, pasta or lentils or even all of them into the bottles.
 - Replace the lid and seal tightly with Sellotape or PVA glue.

Shake Shake Shake

Welly Boot Printing

You will need:

- Wellie boots, a selection of paints and cardboard sheets/paper or card

Simply dip feet in paint and walk, stomp, dance, jump and run to your heart's content

(For younger children adults support will be needed)
