4<sup>th</sup> May 2020

Dear Parents and Carers

**LEARNING ACTIVITIES FROM 4<sup>th</sup> MAY 2020**

Our room teams at Spencer Nursery are continuing to share ideas for activities that you might want to try at home with your child during the current lockdown period.

You can now access these on a Google site which is just for our federation. We are using this platform as it enables us to share videos with you as well as the learning activity documents.

You will find it at <https://sites.google.com/hackbridge.org/home-learning>

There is a folder called "**Week beginning 04/05/2020**" where you will find all the year group content for this week. Click on the Nursery folder and you will then see sub folders for Ladybirds, Bumblebees and Fireflies (please note that the Fireflies folder is a shared folder with the Caterpillars, Tadpoles and Honeybees classes from Hackbridge who are the same age).

We will continue to upload new content weekly.

There are also other folders on the Google site that you can explore... a folder called **Storytime** where you will find videos of some of our staff reading books and another folder called **Videos** where you will find a mixture of other things to watch, for example, maths modelling, hello messages and songs – all created by our staff.

Further to our previous letters, we are not wishing to be prescriptive and it is up to you as families how you use this information.

Parents and carers of our Nursery pupils are advised to visit <https://hungrylittleminds.campaign.gov.uk/> for other suggested activities for children aged 0-5 years.

Please continue to explore the other websites that we previously sent links to. We would particularly encourage you to continue to incorporate some daily physical activity where you can.

We are missing you all!

Thank you to those who have emailed in photographs of the wonderful things that children have been engaged in so far – it has been lovely to be able to share some of these on our newsletters to you all.

Keep safe.

From all of us at Spencer Nursery School
