

Fireflies Class Christmas Activity Morning

On Monday 9th and Tuesday 10th December 2019 the parents of children attending Spencer Nursery School's Fireflies Class were invited to join us for a fun Christmas Activity Morning. Everyone had a lovely time, please find below comments received on parental feedback forms:-

Good Variety of tasks
with arts and crafts

Love the arts
and crafts, staff
very welcoming
and friendly

Great Morning! Lots of fun
activities. Thanks to the
wonderful staff at Spencer
for putting this on.

Just had so much fun with my
daughter in her learning
environment.

It was good to do arts & crafts;
we enjoy doing these activities
at home. I liked all the tables
with something different on
offer.

We really loved it. Thank you so
much! It was lovely to get involved in
activities together in the nursery
environment. Thank You.

I'm very happy to
come and see my son
with his friends, I
learnt a lot of things.

I enjoyed spending
quality time with my
son; he showed me
what he does at
nursery. Thank you
and we love Spencer.

My son is very proud of his nursery and
is very happy and confident (as are all
the kids!) We love Spencer and find all
the staff welcoming, caring and
professional. I learnt that I could be
braver with glue!

It was nice to spend some time with everybody. Thanks, we are waiting for the next one. Very happy to come. Thanks.

Did we meet your expectations?
Yes and more! We love the photos, playdough and the cake looks sublime. Thank you.

I learnt more about how my son interacts with others and have new ideas about activities we can do at home.

He is inquisitive and likes being in the nursery. I will try to do more creative activities with him. Really fun to spend time with him. I think this was better than a play.

He's more independent at craft activities than I realised. He's shy in a group. Will definitely bring out the arts and crafts supplies more often to encourage his creativity.

I learnt how they listen, play and interact with their friends and how much effort the teachers put in.

My daughter is confident and enjoys her time in Spencer.

I learnt how much he loves his nursery and his teachers. Much more fun than work.

All staff are friendly and helpful. My son is settled and has friends. Really good activities were enjoyable.

I played with my child and observed how he interacted with other kids and staff. Good child to child relationships, he was vocal and confident. Excellent.

I was expecting to enjoy a lovely day with my son in Spencer and join him playing and making cards and playdough. It was more than expected, really enjoyed him confidently showing me around and playing and talking with his friends

Very informative and helpful, I believe it's important to join them in the nursery – my son was very happy. Thanks for all your help, you've all been wonderful.

I expected a bit of playtime, crafts and light fun.
Did we meet your expectations? 100% and more, I wasn't expecting the photos and such a variety of crafts or activities. We will support his learning at home, now we know how "easy" it is 😊
We really enjoyed the time.

He is more confident and able than I give him credit for – especially with crafts/glue etc. And how to make playdough. I won't be so worried to get the glue out 😊
Lovely morning, well put together, fun activities and

It was beyond our expectations; obviously, the staff put lots of effort in to the morning. Thank you we had a lovely day.
