**Re: Consultation on proposed changes to the registration of Spencer Nursery School**

Dear Parent/Guardian

The London Borough of Sutton are consulting on the proposal to change the registration at Spencer Nursery School. There are two main reasons that the council is consulting to change the registration of Spencer Nursery

- The Academisation of Hackbridge Primary school
- Uncertain financial future of Maintained Nursery Schools

Enclosed with this letter is a copy of the consultation document for your information, the consultation document is also available online via this [link](#) from 1st October 2018. This document should explain the reasons for the proposal, the consultation process and how the proposal may affect you.

As an existing service user of Spencer Nursery the council would like to warmly invite you to a public consultation meeting to explain the proposal and hear your views.

The public consultation meeting will be held at **Spencer Nursery School at 6pm on Wednesday 17 October 2018.**

The Council is keen to hear your views, the consultation will be available online at [Sutton's Citizen Space](#) until 2 November 2018.
